1. I was looking at the footer for Table 3 which said continuous, but the text you cite is clear and the footer must be in error - perhaps a cut and past error.
2. Agreed.
3. If the conversion is not simple, then should the method be made explicit?
4. Okay.
5. Yes, thanks.

Tom

hi, Tom - thanks a lot for your comments. i will incorporate most of

them into my revisions. a couple notes, though:

hope this helps explain some of the things.

Hi Jennifer,

I made a few changes/suggestions/comments. Please let me know if I need to clarify any of my comments.
